

RUDD EQUIPMENT CO CONTRIBUTES TO SPECIAL OVEN FOR MEALS ON WHEELS AND MORE

John D. Rockefeller, Jr. once stated, “Think of giving not as a duty, but as a privilege”. This is the attitude that the employees of Rudd Equipment Company portrayed as they delivered numerous donations throughout Clearfield County.

Employees from Rudd Equipment Company recently presented a check to the Clearfield County Area Agency on Aging, Inc (CCAAA, Inc). Shown from left to right are: Ron Knee, Service Manager – RUDD Equipment Co.; John Kordish, Executive Director – CCAAA, Inc.; Dale Tozer, Assistant Parts Manager – RUDD Equipment Co.

The Clearfield County Area Agency on Aging, Inc. (CCAAA, Inc.) was chosen as one of the many area recipients. Dale Tozer (Assistant Parts Manager) and Ron Knee (Service Manager), both of RUDD Equipment Company, presented John Kordish, Executive Director of the CCAAA, Inc. with a \$2,500 check in January.

The money will be used to help fund the purchase of a new Hot-Tot oven for the CCAAA, Inc.’s Meals on Wheels & More Program. The specially designed oven, which is installed in the delivery van, ensures that no matter how far the distance, Meals on Wheels & More recipients’ meals will be hot. On average, the CCAAA, Inc. serves nearly 170,000 meals to more than 1,000 consumers per year.

A plaque with RUDD Equipment’s name engraved on it will be permanently attached to the oven.
