

Clearfield Center Offers Afternoon Cards, Classes

Got the card bug? Interested in getting out an afternoon a week? Always wanted to learn to play bridge or pinochle? Now is your chance! Experienced or not, you are invited to the Clearfield Center for Active Living for an exciting 'deal'.

The Center is offering a weekly 'afternoon of cards' to area residents aged 50 and older. The dates and times will be determined by popular request. RSVP volunteers will be on hand to instruct novices in the lively card games, and experienced players and additional volunteers are also encouraged to join in.

Reservations are not required for the Card Group. Interest, questions, or additional topic requests may be directed to the Clearfield Center for Active Living at 765-9319 or 1-800-225-8571.
