## Independence Day

Wednesday, July 4 is  
Independence Day.

All Area Agency on  
Aging offices and

Centers for Active Living will  
be closed that day. Frozen meals for you  
to eat on Wednesday will be delivered to  
you on Tuesday, July 3 along with  
your regular hot meal.

## Have you received your farmers' market vouchers?

The CCAAA, Inc. has once again joined with the PA Department of Agriculture and the PA Department of Aging to administer the Senior Farmers' Market Nutrition Program (SFMNP). The program started June 4 so you may already have your farmers' market vouchers. If not, see the schedule below for distributions sites and times.

If you are not able to pick up the vouchers yourself, a friend or family member can pick them up for you. All they have to do is pick up a proxy form at the Agency on Aging or one of the Centers for Active Living and have you fill it out. They may then take the proxy form to one of the participating sites. Remember, vouchers are only being distributed at the times listed below.

To be eligible for the program, a person must be age 60 or older and live in Clearfield County. Their total annual income must be at or below \$18,889 for a single person, or \$25,327 or less for a married couple. Proof of age and residency is required (drivers license, photo ID, ATA card, etc.).

Each consumer will receive four \$5 vouchers with a list of participating farmers' markets. Vouchers will be offered on a first-come, first served basis and may be redeemed through November 30, 2007.
